⚡ SØE-JENSEN & CO.

HISTORIEN BAG PRODUKTERNE

Tradition og kvalitet i særklasse siden 1862.

Firmaet blev grundlagt, som Hansen & Søe-Jensen, men i 1930'erne stoppede Hansen deres medejerskab og produktionen på Amager i København fortsatte så under navnet Søe-Jensen & Co. Man producerede bla. til DSB alle toilet og dørgrebsbeslag til togvognene. Produktion af dørgreb til biler.

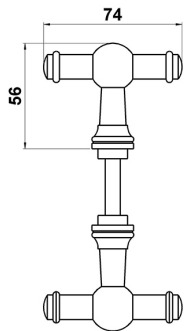

Firmaet flyttede fabrik ind på Godthåbsvejen Frederiksberg i 1890. Man åbnede butik i Skindergade, som senere blev flyttet til Gråbrødre Torv først i 1960'erne.

Henrik Westergaard - som ejer firmaet i dag - blev ansat i Søe-Jensen & Co. i 1962 og købte i 1986 hele firmaet.
